

I don't know how to say this.

MOOD: 😨 scared

So I'm just going to say it.

 **trollcatz** (<https://trollcatz.livejournal.com/>) was very badly injured in the line of duty yesterday. She's in a hospital in intensive care, and her condition isn't stable.

If any of her internet friends would like me to pass along any message to her, I'll read her any emails or comments you care to send.

They can be left here, or mailed to chazvillette at gmail dot com.

Yikes. My best wishes and thoughts to her, and hopes for complete recovery - and strength to the rest of you. It's good to know she's surrounded by people who love her.

I keep trying to think of something tenderly snarky, but am getting nothing. So I'll just send love to all of you. And hugs, lots of hugs. Now, if you'll excuse me, I think I left my pen in the bathroom.

So, so, sorry. Send along my best wishes, and make sure to take care of yourself, too. I'm sure that whatever happened wasn't your fault, so don't blame yourself. Please.

Oh Chaz, I'm so sorry. Please give her my love and best wishes. I'm thinking of her.

And of you, too. And  [ace_cub_reportr](#) and  [Ometotchtli](#).

Oh, gods.

Tell her we may be invisible, but we're here and we care and we're thinking of her, and we hope she heals up soon. Tell T, too. (We, in this case, being me and Kate. She doesn't know Kate, who's my sweetie, but Kate keeps hearing y'all, so she joins me in my concern.)

All of my best wishes to her. And to all of you.

If there's anything at all I can do to help, please let me know.

Lighting a candle for her.

People she doesn't know, who live in your internets, are rooting for her.

I will add to the chorus of oh no! But, I agree with faithhopetricks...she's a fighter. This gives me hope.

Keeping her (and you, and all the rest) in my thoughts and prayers today.

points at Icon See that? That's my battle-cry for things like this. You whisper to her for me: "We can overcome, no matter the odds. All we need is the right perspective and the will to make it so. The Enemy's Gate Is Down." Then you pass out hugs to T and the whole damn team. Corner El Jefe if you have to, I insist.

And if there's anything we invisible people can do to help (other than the prayer, good vibes and hope coming at y'all in tsunami waves), you let us know.

Oh no! Hopes and prayers and good energy sent her way, and love and support from yet another internet person for those of you who know her and love her outside of the intarwebs.
